Miss Eva

Instructor

Eva Schrank danced at SCVDA from fourth grade until she graduated high school. She was part of our competition team for 6 years, and danced at the intermediate level for 2 of those years. Eva is trained in tap, jazz, lyrical, ballet, hip hop and musical theater, learning the versatility of dance and technique along the way. Eva attends UW-River Falls and is majoring in art. Creativity has driven her as an artist, a dancer, and recently a choreographer. She has worked as an assistant teacher for two years at SCVDA, and has had the pleasure of meeting so many dancers at the studio. She is excited to now have classes of her own and to share her talent with the students at SCVDA.

Why Miss Eva enjoys teaching:

"My favorite part about teaching is seeing dancers' improvement from the beginning of the year to the end, and helping dancers have fun while they learn! I am so excited to be a part of the SCVDA family and bring what I have learned to the table."
